PROPPER®

SINCE 1967

What started in 1967 as a single contract to make the iconic white Dixie Cup hats for the Navy turned into five decades of dedication and hard work as we grew to become the largest single provider of U.S. military apparel in the country. Along the way, we branched out to serve the needs of the law enforcement and public safety communities as well. This year, we proudly celebrate 55 years of providing outstanding military, law enforcement and tactical apparel and gear to professionals like you who understand what it takes to get the job done right.

WE THANK YOU FOR YOUR SUPPORT.
